

A Thanksgiving Message

Thanksgiving Message

November 22, 2018

"Thanksgiving is an excellent time to spend with our loved ones and to reflect on what we are most grateful for. There are the most obvious things like family and friends, but we should also take time to give thanks to all the Transportation workers who will be working this Thanksgiving weekend.

I'd like to not only wish every IAM member and their families a Happy Thanksgiving, but I'd also like to give special thanks to all IAM members who will be working this weekend, safeguarding that millions of travelers arrive home to their families and loved ones."

Sito Pantoja, General Vice President
