Members of Local Lodge 1725,

Starting last Saturday, June 23rd the national AFL-CIO kicked off Labor 2018 Programs all across the country with Labor Walks, Phone Banks, Worksite Leafleting Programs, and more.

Here in NC with your help, we are participating by kicking off a Week of Concerted Activity, distributing the attached Issue Surveys to members and collecting their information as they pledge to be volunteers and an active part of Labor 2018.

Please Note: The attached PDF has been updated and can now be filled out electronically and forwarded to the State Federation by just clicking the shaded area to the left of the "submit" button. If you are unable to submit electronically follow the instructions on the survey to submit via mail, email or fax.

Thank you and we appreciate your support of the AFL-CIO!
