New Mayor of Harmony, NC, Daniel Lee Matney, is also a recent graduate of Guide Dogs of America!

Mr. Matley and his guide dog Merlin visited Local Lodge 1725 on Thursday March 8th, 2018, during the regular monthly business meeting to talk about his experience with GDA. We are honored that Mr. Matley and Merlin chose to speak to us and we are even more committed to GDA and their amazing programs.

See some photographs from Mr. Matley's (and Merlin's) visit courtesy of our own Lou Gilmore!
