

Thank You for the Labor Day Parade Support!

09/06/2018

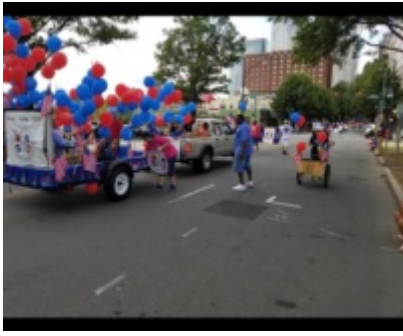

To everyone that contributed to the success of our representation at the Labor Day Parade I extend my biggest and warmest most appreciative thank you. It was a fun and celebrative day enjoyed by all who participated.

It is always a rejuvenating experience spending time with fellow union members, representatives of civic and community organizations. You experience the heart and core of what unionism and civic caring is all about.

The atmosphere of a good ole hometown parade where people come out to recognize and show appreciation for all the Labor folks. Labor is the back bone, the heart and soul of this country and we should be proud of our contribution.

Please see the pics below for a peek at our lodge's participation. [Click Here](#) for the full gallery!
