

2018 Union Members Survey

Let us know where you stand on the issues important to working people!

Place a check mark by the **three** most important issues to you.

- Trade** – Protect NC jobs by defeating bad trade deals and renegotiating NAFTA.
- Unemployment Benefits** – Improve the level of benefits for jobless workers
- Wage Standards** – Provide a minimum wage that ensures a fair return on hard work
- Education** – Increase funding for textbooks, teachers and assistants, and support staff
- Workers Compensation** – Improve the level of benefits for injured workers
- Safety & Health** – Require employers to provide a safe workplace for all workers
- Social Security and Medicare** – Expand benefits and eligibility, strengthen both plans
- Pensions** – Protect workers' pensions and retirement accounts
- Collective Bargaining** – Grant NC's public workers the freedom to collectively bargain
- Other** _____
