

Announcing the 2021 Adolph Stutz Memorial Scholarship Essay Contest

Dear Member of IAM District Lodge 141:

We are writing to inform you about a special benefit offered by IAM District Lodge 141: the **Adolph Stutz Memorial Scholarship**.

Each year, our District awards several scholarships to qualified and deserving members – or their children, grandchildren, or spouses – who are pursuing a college education. The scholarship awards range from \$1,000 to \$2,000. An independent committee selects the scholarship winners on the merits of the essay submitted by each applicant. The topic for this year's scholarship essay competition is "COVID-19 has affected societies and economies around the world. Where do we go from here? What should the priorities be for mankind?"

The **rules of the competition** are attached with an application. We urge you to take advantage of this outstanding opportunity for you or someone in your family. The scholarship money can be used to help pay for tuition, fees, books, living expenses – it's up to you, as long as it makes your life as a student easier!

Our union's mission has always been to lift working people so

they can build better lives for themselves and their loved ones. We are proud to offer the Adolph Stutz Memorial Scholarship as one way our District helps members and their families achieve their dreams.

In Solidarity,

MICHAEL KLEMM,

President & Directing General Chair,

District 141,

International Association of Machinists & Aerospace Workers
