

A Holiday Message from GVP Pantoja

I'd like to wish every IAM member and their family peace, love and health this holiday season. Your hard work throughout the year is what makes our union as strong as it is. Thank you for making this year one of our best. I'd also like to extend my gratitude to those IAM members who will be working during the holidays. You sacrifice time away from your families so millions of travelers can spend time with theirs. Most passengers will be too hurried to express their appreciation, so let me say it for them – Thank you. Sito Pantoja, General Vice President
