

Southern Piedmont Central Labor Council – Voter Guide

February 19, 2020

Dear IAMAW Members,

How YOU vote is a personal decision and it should be! However as a responsible Local Union should, we are providing a list of candidates that we endorse to vote for if you choose.

Please know our endorsements are based on the interviews and questionnaires that were answered. Unfortunately not all candidates would meet and grant us an interview nor even bother to respond. We open the door of opportunity for all candidates to respond and work with us as we honestly prefer to have all politicians working for, and with, Labor; union and non-union.

Thank you for your time and for allowing me to serve this local.

In solidarity,

Maureen Kelly
