

American Airlines Tentative Agreement Informational Video

The Association.

March 21, 2020

In light of the on-going issues with the coronavirus, we put a video together to go over the highlights of the tentative agreement. Should you have any questions, please contact your local reps, call your General Chair, or email your question to AA-TA@iamdll42.org.

Please note, when the video was made, it was still set to do the normal voting. Since then, it was decided, due to all the restrictions being put in place, to vote electronically. Please watch your mail and check your aa.com email for voting instructions.
