May 29, 2019

On behalf of the TWU-IAM Association, we would like to take this opportunity to express our sincere gratitude to The Association of Professional Flight Attendants (APFA), The Allied Pilots Association (APA) and The International Brotherhood of Teamsters (IBT) for their letters of support in our contract negotiations fight with American Airlines.

Our negotiations with American are not only important for our members, but for the whole airline industry. The Pilots', Flight Attendants' and Teamsters' words of encouragement and solidarity will go a long way in helping us win this battle against corporate greed.
