

Association, AA Executive Session Negotiations Continue – 01/26/2018

The Association.

01/26/2018

Brothers and Sisters,

The Executive Negotiating Committee met face to face with American Airlines this week in Washington D.C.

Complete Tentative Agreements were reached on:

Seniority M&R-MLS

Hours of Service M&R

Reduction in Force M&R-MLS

Overtime Distribution Procedures M&R- MLS

As previously reported in our last session, Association negotiators presented the company with a comprehensive proposal on Scope for all groups.

The Scope proposals set the foundation for the Association this week to present to American Airlines, the largest and most profitable airline in the world (who yesterday reported year-end profits of \$3.8 Billion), proposals on all outstanding economic topics. Those topics include Healthcare, Retirement and all forms of Compensation.

Your negotiating committees are pleased to have all of these topics on the bargaining table, a necessary next step in the

completion of JCBA negotiations and returning to our members what we have sacrificed to put the company in the position it is in today.

Your continued solidarity and support are critical to our success at this juncture of the negotiation process.

The future negotiating calendar is as follows:

February 12- DCA

February 20- DCA
