My name is Helena Thornton and I am the Community Service Chairperson and Recording Secretary for The International Associations of Machinists and Aerospace Workers, Victory Lodge 1725 in Charlotte NC. Our Local Lodge has adopted a school that's the 1st of it's kind in the North Carolina area. "Renaissance West STEAM (Science, Technology, Engineering, Arts & Math) Academy." It was opened with model of success of the Charles R. Drew School, part of the Villages of East Lake Community in Atlanta.

Before the school was established, only 5% of 5th graders in the neighborhood were able to meet math standards. Today, they are outpacing their peers across the state. In 2012, 99% of students in grades 3-8 met or exceeded state standards in reading and language arts and 98% in math.

All of the children at the school qualify for free lunch, due to the economic poverty level of the area. To date there are at least 50 homeless families that go through the summers, weekends and holidays barley having a meal to eat.

IAM Local Lodge 1725 will be hosting a, "Charity Golf Outing," for the school to help with any school supplies not received and to ensure the teachers have enough supplies for each child.

We are asking for a Sponsorship of a hole for \$125.00 and/or any monetary donations. Their 501C # 56-6001074.

Our goal is to increase the level of awareness of the needs of supplies to the children and families that are in need.

For further information please contact Helena Thornton at calhounh95@yahoo.com or 757.329.5335

Thank you in advance for your donations.
