

CLT Flight Safety Committee: New ASAP Bulletin and Reference Guide

06/07/2018

The Flight Safety Department has posted an ASAP Bulletin and a new reference guide to the Flight Safety Page. This information is also available on the ASAP JetNet page, the AMT homepage banner and has been released via crew talks (line maintenance only).

Please go to the Flight Safety Page and scroll down to view the new documents so as to familiarize yourself with the changes in ASAP.

Thank you!!
