

Congratulations Cathy White on your Retirement!

Victory Lodge 1725 would like to congratulate Cathy White on her retirement!

Cathy worked as a Material Planner for American Airlines in CLT Base Maintenance.

Cathy, thank you for your years of service and we hope you relax and enjoy your retirement. The doors of our lodge are always open for you and we hope you will come back and visit us sometime.

Below are photos of Cathy receiving her watch from Victory Lodge 1725 Vice-President Joe Behan. CLT Heavy Maintenance AMT Jim Hendershot presented Cathy with a plaque from the membership as well.
