Sisters and Brothers,

The Association Mechanic & Related/Stores Negotiating Committee met with American Airlines the week of March 6th, 2017 in DFW. During this week's session, the Committee discussed the following Articles:

Classifications – We presented the company a complete proposal for the M&R group on this complex article, including QA, Planners & Tech Docs, whose subcommittee was present in negotiations this week. We continued to work on this proposal for MLS, and MCT for a response to the company.

Hours of Service– With input from the Sub-Committee members from QA, Planners, and Tech Document Specialists we gave the company a proposal on this article, which we had previously reached an agreement in principal, with the exceptions that pertain to those groups.

Qualifications (M&R) – We continued to prepare our response to the Company proposal.
