

DL141 Organizing Committee Supports Delta Workers at MLK Parade in ATL

On Monday, January 21, 2019, Victory Lodge 1725 members Helena Thornton, Recording Secretary/Community Service Chair and Renae Miller, Women's/Human Rights Chair marched in the Martin Luther King Jr parade in Atlanta in support of Delta workers right for union representation.

These members have been working with District Lodge 141's Organizing Committee in Atlanta and marched in solidarity to honor Martin Luther King Jr. We are proud of our members who are working for the District in this important organizing campaign!
