GOLDSTAR FAMILIES LOOKING FOR VOLUNTEERS

Hello, Local 1725 members. It has been a very long time since we have been able to get out and do anything in the name of our Union or our Local.

The All-Veterans Parachute Team (who have donated to our events in the past) have asked if we could send 6 volunteers per day on October 14th & 15th, to assist with the Goldstar Families Leap of Faith event. There will be 22 Gold Star families, they are military families who have lost a member during active service. If you have not volunteered with them before, now is your chance.

This group of military veterans was formed by Mike Elliott to bring awareness to veteran suicide in honor of his lost teammate. Let's show our appreciation for their dedication and commitment to our charities and also help them when needed.

Volunteers will need to arrive by 8 am. More details will be available when volunteers have been selected on a first-come basis.

If you are interested, please reach out to Helena Thornton, Lisa Leathers, or me.

In Solidarity,
Rena Miller
