

IAM Celebrates Dr. King's Legacy

January 18, 2021

Sisters and Brothers, Today, we honor the life and legacy of Dr. Martin Luther King Jr., an iconic civil rights activist who viewed discrimination and anti-unionism as closely related ills. He was a champion for labor rights whose teachings can serve us well in these trying times, when these rights are under constant assault.

Dr. King's commitment to peace, non-violent protest and equality for all carry more weight now than ever before. There isn't a more important time for us to remember those words.

In solidarity,

Sito Pantoja
