

Important New Updates to the Veterans Committee Page

Attention all Veterans,

Have you checked out our Veterans Committee page lately? Committee Chair John Hurst works tirelessly to provide information on helpful resources, benefits and educational articles for veterans.

There have been some recent updates you may have missed. Such as links to shop base exchanges online or file a hearing loss claim. The Veteran's Administrations list of the most useful resources for Veterans in 2019 has been added.

Did you serve in Vietnam? Maybe you had a family member who did? The Blue Water Navy Vietnam Veterans Act of 2019 extends medical coverage for exposure to Agent Orange to Veterans who served in the offshore waters of the Republic of Vietnam between Jan. 9, 1962 and May 7, 1975.

Take a few minutes and check out John's page and contact him if you need more information or help with any of the resources there. You'll find his contact information at the top of the page!
