

JOIN US to Protect the Vote in Raleigh this Saturday (11/7) at 1PM

The *New York Times* ran a story this morning titled, "The President versus democracy." Mobs in Detroit and Arizona are trying to stop the count while Trump himself calls for the vote to be halted in PA.

In contrast, **WE** hit the streets across NC yesterday, calling for all votes to be counted and for the results to be respected and our democratically elected new leaders sworn in.

JOIN US at the Halifax Mall in Raleigh this Saturday @ 1pm to Protect the Vote.

MaryBe will be speaking from the stage and we need Labor to stand up in this to demonstrate our commitment to democracy in the workplace and at the ballot box. We need ALL OF YOU in this unprecedented historical moment to show up in the ways that you can.

Let us know if you have any questions and how many of your members you expect will be joining us. Looking forward to being with you this weekend!

In solidarity,

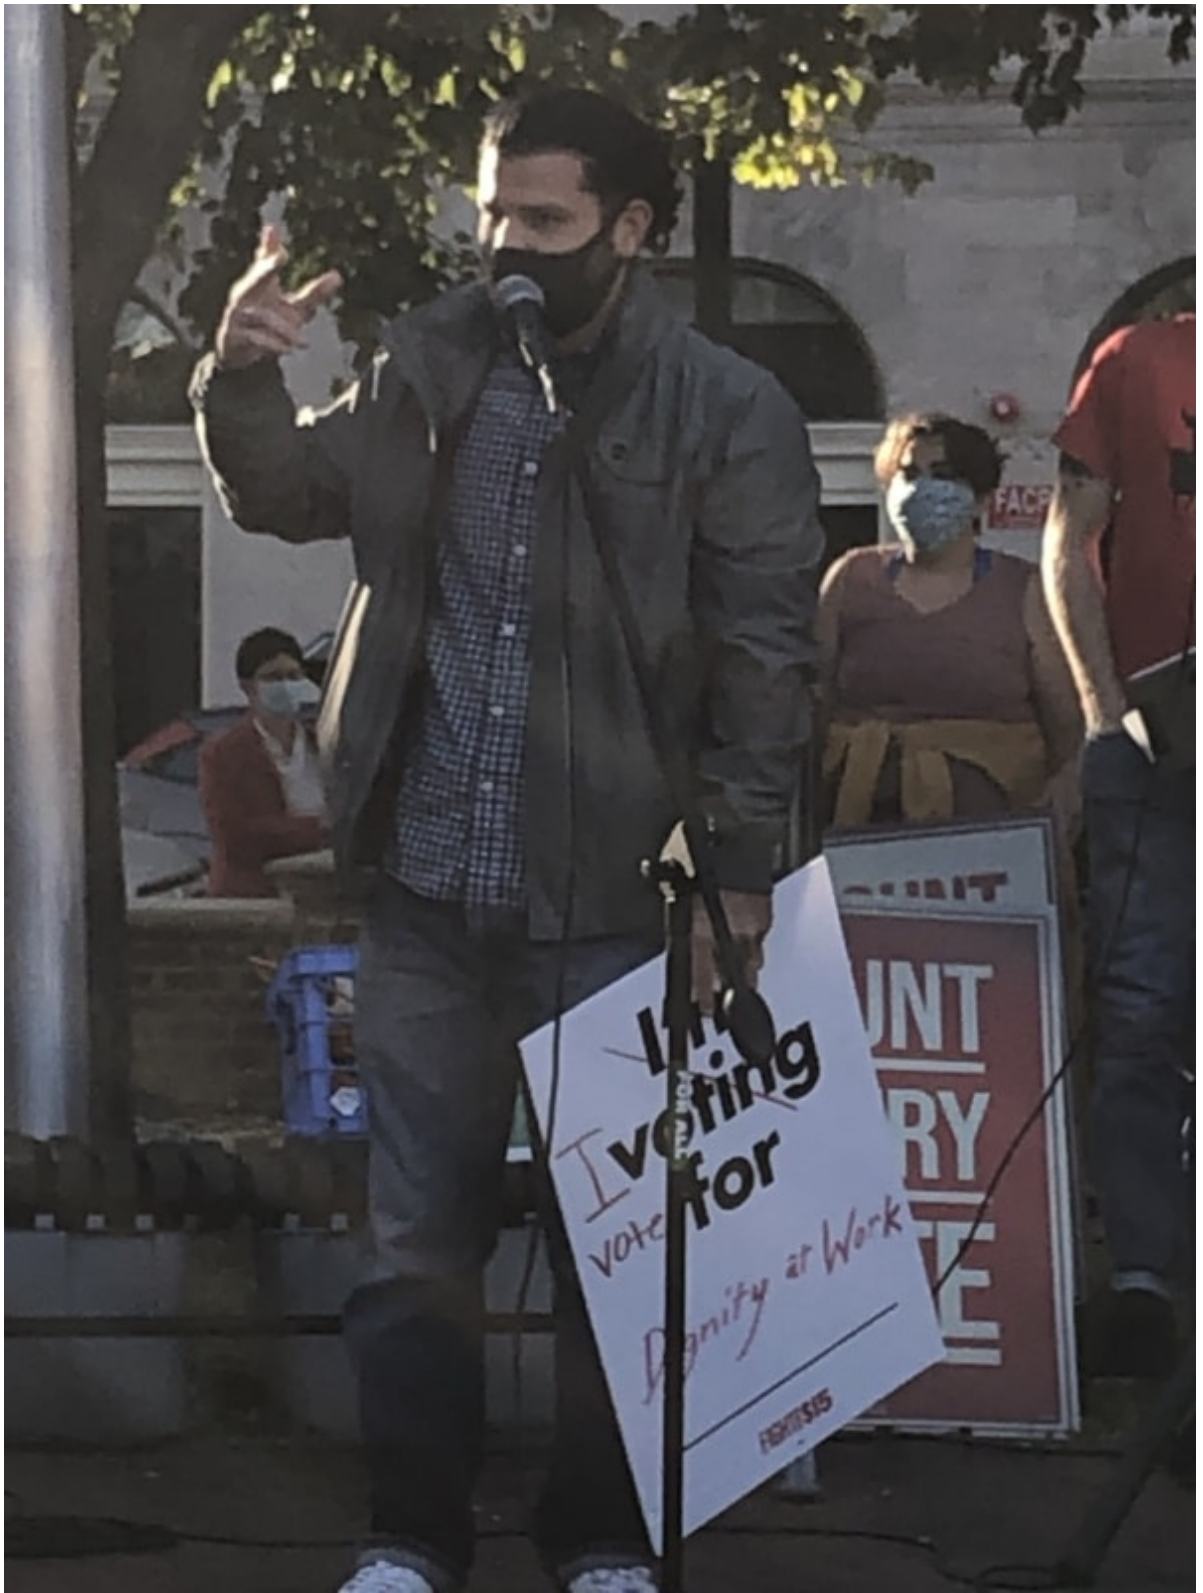

Aiden

NC Rally to Protect Our Votes with Team Democracy

Together we turned out in record numbers, and together we will make sure all our votes are counted. Our movement for racial, economic and gender justice continues to grow more powerful. We will celebrate our democracy and protect our votes.

Join us at 1pm at Halifax Mall in Downtown Raleigh on Saturday, November 7th.

RSVP at: bit.ly/protectourvotes11-7

This year we registered thousands of our people to vote, and we did not allow anything to stop us from voting. We created record turnout, especially from first-time voters, young people, communities of color and low-wage workers. We took collective action in mass numbers through poll observing and hundreds of other critical roles to ensure our elections are safe and fair.

Now we must continue to move forward together. We are powerful enough to prevent any attempt to cheat or bully us out of this election. Join us as we hold watch over this crucial and sacred process in our democracy. Join us to demonstrate mass, peaceful support for counting all the votes and respecting the results. Join us in celebrating our democracy and protecting our votes.

COVID-19 Safety Precautions: We ask that all folks wear masks and maintain social distancing at the rally. We can protect each other while we protect our votes!
