

Make Your Voice Heard in the IAM's COVID-19 Workplace Survey

June 4, 2020

IAM CREST wants to hear from you. Please consider taking part in the IAM CREST COVID-19 Survey on how employers have resumed or maintained operations during this pandemic.

IAM CREST is working with the AFL-CIO, ICWUC and NIH via various work groups regarding how employers are handling the COVID-19 situation in the workplace. This information will be compiled, analyzed and shared with the partners and IAM leadership.

Every effort will be made for responses to remain anonymous and participants will only be contacted by IAM CREST if they indicate they are interested in COVID-19 training. Please submit your responses by June 30, 2020.
