

# New Bylaws Link in Main Menu

05/03/2018

With By-Law Proposals on the agenda I have had several requests to make our current Local Lodge Bylaws easier to find. The link to our bylaws resides on the Resources page but in addition I have added a direct link on the main menu, under the Resources drop-down menu. Please see the image above! This link will open the Bylaws document in a new Tab or Window. To close simply "X-Out" of that Tab or Window.

I hope this helps everyone as they do research on our Bylaws! And thank you for your suggestions. They help me make your Local Lodge website better and better.
