

November is Veterans Month. Check out the 100+ Free Events.

November 2, 2020

Veterans Day is November 11, 2020. Many of our members will be off work that day celebrating the holiday. Every year we extend a heartfelt Thank You and a debt of gratitude to our members who have served our country.

The U.S. Department of Veterans Affairs has put curated a list of over 100 Free Events available to our members and their families who are veterans. Victory Lodge Veteran's Committee Chair John Hurst has provided the link below so you can browse these events and other resources.
