

Southwest Screening Committee Meets

03/23/2018

Dear Sisters and Brothers:

This week a committee of 16 SWA Union Members met to screen over 2000 proposals submitted by the membership. The committee represents a true cross section of SWA employees, able to present the concerns of full time and part time, all work groups, large and small stations and centers, as well as general and specialty skill groups. Proposals were sorted, discussed and prioritized to aid the negotiation committee in crafting the Union's position to the company.

A survey will be available on IAMDL142.org soon to further capture the needs and concerns of the membership. We encourage all SWA work groups go to IAMDL142.org to sign up for email blasts for negotiations updates and to participate in the survey.

Negotiations are slated to begin May 15, 2018.

In Solidarity,

Dave Supplee
