

Summer 2020 IAM Journal Now Online

The IAM is one of the largest and most diverse labor unions in North America with nearly 600,000 active and retired members. Representing workers at Boeing and Lockheed Martin to United Airlines and General Electric, you will find IAM members across all occupations.

Communication with members has been a key principle of the IAM since its founding. That cornerstone value lives on today through many different mediums. The **IAM Journal** is the flagship publication created entirely from the IAM Communications Department. It's mailed to every IAM member in the U.S. and is available online here for your reading pleasure.

We hope you enjoy the inspiring stories of our amazing members and the work they do for their employers, their Union and their communities.

In Solidarity,

The Machinists Union
