

The Association Negotiations Update – NMB Schedules Meetings

The Association.

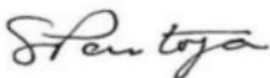

November 25, 2019

The Association leadership has pursued continuing negotiations on American Airlines with or without the presence of the National Mediation Board (NMB) with some limited success. After our last negotiating session closed November 15, we asked the Company to agree to meet this week. They declined.

The National Mediation Board has announced scheduled mediation dates for the first two weeks of December. We will meet with NMB members December 4th and 6th next week and December 9th through 12th the following week.

Our intention will be, as it always has been, to bring the best in industry contract to our membership. We are fully prepared to reach conclusion to these negotiations if the Company is ready and willing to step up to the plate and get it done.
