

# The Association Negotiations Update – September 20, 2019

The Association.

THE TWU-IAM ASSOCIATION

September 20, 2019

Federally-mediated negotiations between the TWU-IAM Association and American Airlines continued this week in Washington, D.C. At the request of the NMB, the parties have agreed to keep details of our discussions confidential.

The National Mediation Board scheduled negotiations to continue next week in Washington, and we are hopeful that progress is made then.
