

# Vice President Election Results

The officers and staff of Victory Lodge 1725 would like to thank all the members that came out to cast their vote and let their voices be heard in this election.

Congratulations to Brother Yusuf Baskin from our MLS/ Stores department on being voted in as our new Local Lodge Vice President for the remainder of the term.

Brother Yusuf comes with a wealth of knowledge on unionism and strategic organizing. The rest of the current executive board looks forward to working with Brother Yusuf to continue to

help service our members.

We would also like to thank the other members that stepped up to run in this election to fill the vacancy. It takes a special type of person to volunteer to do this type of work that can sometimes be thankless.

For any further information please contact President Helena Thornton.
