

Victory Lodge 1725 Communications Team Wins Big at Communications Conference Banquet

June 13, 2019

Last week the IAM's Communication Conference was held in Las Vegas, NV. At the end of the conference, during the banquet Thursday evening, the annual Wimpy Awards were given out for local lodge and district lodge websites, newsletters and social media pages. The Wimpy Awards are named in honor of William W. "Wimpy" Winpisinger, the eleventh International President of the IAM.

Our local was honored in a big way as we took home two awards! Communicator/Webmaster Todd Day was awarded 1st Place General Excellence – Local Lodge Websites and Newsletter Editor Gary Winchester was awarded 3rd Place Layout and Design – Local Lodge Newsletters.

We are extremely proud of these awards. You, the members, contributed to this success by giving us story ideas,

photographs and most importantly your support.

Thank You from the Communications Team at Victory Lodge 1725!
