

Victory Lodge 1725 says Goodbye to Two Members with Moving Tributes.

This Fall, Victory Lodge 1725 lost two of its long-standing and beloved members with the passing of CLT Heavy Maintenance AMT Jim Hendershot and CLT Catering Fleet Service Agent Malcom Favors.

Our members who worked closely with our local CLT management and CLT Airport Fire Dept. to send our members off to their final destinations with moving tributes including the lining up of coworkers on the ramp and water cannon salutes.

Victory Lodge Vice President Louis Gilmore has gifted us with the two amazing videos below that honor our fallen brethren. Thank you Louis and to Jim and Malcom, fly free and we will see you again.
