

Victory Lodge Members in Leadership Roles at 2019 JATSC

The 2019 Joint Air Transport Safety Conference (JATSC) was held September 4 – 6 at the William W. Winpisinger Center in Hollywood, MD. IAM and TWU members actively involved with their local and district safety committees, along with members of Management from several airlines, participated in the annual conference.

Victory Lodge 1725 is proud that two of our members, John “Big Dog” Bidoglio (Education Committee) and John Hall (Flight Safety), took leadership roles in this important safety event.

See photos of our members leading at the conference below:
